# *Glamour is* EVERYTHING

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. People are like stained-glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.

*Always be  
exclusive*

Real beauty is to be seen in oneself.  
It is not what you see, but what  
the one who sees in you.  
Which is, please, our prayer.
