I appreciate simplicity,
true beauty that lasts
over time, and
a little with an
eclecticism that makes
life more fun.

I believe these dresses are another chance for a wounded heart.
all girls have had wounded hearts at some point
in their lives, it's part of our lives.

*fashion is
not something
that exist in
dress only. fashion
is in the sky, in the
street. fashion has
to do with ideas the
way we live,
what is happening.*

Dance with the waves
move with the seas
let the rhythm of the
water
set your soul free

*like wild flower,
she spent her days,
allowing herself to grow,
not many knew her struggles
but eventually all,
knew her light*
