## MISTRY SECRETS

There is talk. There are  
whispers. There are detesters.  
And they're all about you.  
Sitting together they wonder  
about the mystery and the  
chance, which surrounds  
you as you stroll magnificently  
in your breathtaking wear.  
What could be the secret that  
you possess, which the  
conspiring world is not going  
to divulge. Let them do as  
they want shall be.
