Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy residents, for only they can bring about this age again with their grace and style.

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy women, for only they can bring about this age again with their grace and style.

A smaller, framed photograph of the same woman in the same outfit, set against a blurred background. The frame has a green border. The background of the entire page is a light, textured grey with faint architectural silhouettes.
