◇ TREND & TRADITION ◇

Look young gracefully

An aged man is but a paltry thing, a tattered coat upon a stick, unless soul clap its hands and sing, and louder sing for every tatter in its mortal dress

Designers want me to
saree like Spring
in billowing things.
I don't feel like Spring.
I feel like a warm Autumn.

The saree has a dark brown border and a decorative border at the bottom with red and green patterns. She is also wearing a short-sleeved blouse with a small floral pattern. She has large, ornate earrings and a bracelet. The background shows lush green trees and a clear sky.

That is the key of this collection, being yourself. Don't be into trends.
