103

I like being a woman, even in a man's world. After all, men can't wear dresses,
but we can wear the pants.

My style is schizophrenic! One minute I'll be wearing bright girly dresses, and the next I'll be swinging towards more structured, masculine things.

During holiday parties, I end up recycling a lot of my cocktail dresses, and just wearing a layering piece, like a blazer and tights, with it.
