

Pazzling patterns

Some say they are not patterns. They're always from a time when the world was younger and more beautiful. They've been carved into the
exquisite garments of these classy women, for only they can bring about the age again with their grace and style.

Pazzling patterns

Some say they are not patterns. They're always been here when the world was younger and more beautiful. They've been carved into the
eyeballs/garments of these shiny machines, for only they can bring about the age again with their grace and style.
