

Tunic House[®]
EVER FRESH CREATION

*The more often we see the things around us
even the beautiful and wonderful things
the more they become invisible to us.
That is why we often take for granted the
beauty of this world, the flowers,
the trees, the birds, the clouds
even those we love. Because we see things so
often, we see them less and less.*

LIFE IS A JOURNEY

The more often we see the things around us,
less we think of them and more we feel things
the more they become naturally to us.
There is only one place where the power of
being of the world, the flowers,
the trees, the birds, the clouds,
can be seen in their "Wholeness" as an image in
other - mirror, glass, film and film.

Tunic House
LIVE WITH ELEGANCE

The beauty of a tunic is not in a detail, but in the way it fits in a woman's silhouette in the end.
It is the way that she drapes over the person that she loves. The beauty of a tunic goes with the passing years.
