The Stewardess thing in fashion is not to be known for a logo, but to be known for silhouette.
Fashion is what you adopt when you don't know what you are.
Fashion should be a form of exception & not a form of imprisonment. Fashion is almost like a religion, for me atleast. When you love fashion, there is no weekend. Everything just blends together.
Fashion is about how you place the object on the person.
I base most of my fashion taste on what doesn't item.
Fashion should be stylish & fun. I still appreciate individuality style is much more interesting than fashion, really.

SUMMER LOOK

Fashion is part of the daily life and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes.

*fashion is not something that exists in dress only;
fashion is in the sky, in the street, fashion has to
do with ideas the way we live, what is happening,
be sure what you do, be sure about your self;
fashion is not just beauty, it about good attitude
you have to believe in yourself & be strong
In love fashion & there is no easier way to
express yourself than through the clothes you
wear. The difference between style & fashion
is quality. Fashion is about dreaming & making
other people dream. Fashion is architecture,
it is a matter of proportion.*

TRADITIONAL SOUL

*Luxury is the ease of a t-shirt in a very exquisite dress.
Being well dressed hasn't much to do with having good clothes.
It's a question of good balance and good common sense.*

19006

UNIQUELY TOUGH

*The dress must follow the body of a woman, not the
body following the shape of the dress.*

CLASSIC APPEAL

Don't be into trends. Don't make fashions over you, but you decide what you are, what you want to express by the way you dress and the way to live.
