*The Stewardess thing in fashion is not to be known for a logo, but to be known for silhouette.*  
*Fashion is what you adopt when you don't know who you are.*  
*Fashion should be a form of escapism & not a form of imprisonment. Fashion is almost like a religion, for me atleast. When you love fashion, there is no weekend. Everything just blends together.*  
*Fashion is about how you place the object on the person.*  
*I base most of my fashion taste on what doesn't fit.*  
*Fashion should be stylish & fun. I still appreciate individuality style is much more interesting than fashion, really.*

## SUMMER LOOK

*Fashion is part of the daily life and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes.*

*fashion is not something that exist in dress only  
fashion is in the sky, in the street, fashion has to  
do with ideas the way we live, what is happening  
be sure what you do be sure about your self,  
fashion is not just beauty, it about good attitude  
you have to believe in yourself & be strong  
In love fashion & there is no easier way to  
express yourself than through the clothes you  
wear. The difference between style & fashion  
is quality. Fashion is about wearing & making  
other people dream. Fashion is architecture,  
it is a matter of proportion.*

## TRADITIONAL SOUL

*Luxury is the ease of a t-shirt in a very expensive dress.  
Being well dressed does not mean to do with having good clothes.  
It's a question of good balance and good common sense.*

## UNIQUELY TOUGH

*The dress must follow the body of a woman, not the body following the shape of the dress.*

## CLASSIC APPEAL

*Don't be into trends. Don't make fashions own you, but you decide what you are, what you want to express by the way you dress and the way to live.*
