Essence of perfection

Perfection is not something that comes to them only. Perfection is all the things that they do, the things that they do with their hands, the things that they do with their hearts, the things that they do with their souls.

Perfect design
The perfect design is one that is both functional and stylish. It is a design that is both practical and artistic. It is a design that is both simple and complex. It is a design that is both timeless and modern. It is a design that is both beautiful and useful. It is a design that is both elegant and casual. It is a design that is both classic and contemporary. It is a design that is both traditional and innovative. It is a design that is both old and new. It is a design that is both familiar and unfamiliar. It is a design that is both known and unknown. It is a design that is both seen and unseen. It is a design that is both felt and not felt. It is a design that is both heard and not heard. It is a design that is both smelled and not smelled. It is a design that is both tasted and not tasted. It is a design that is both touched and not touched. It is a design that is both thought and not thought. It is a design that is both felt and not felt. It is a design that is both heard and not heard. It is a design that is both smelled and not smelled. It is a design that is both tasted and not tasted. It is a design that is both touched and not touched. It is a design that is both thought and not thought.
