It is quite understandable why fashion designers tend to give wings to their imagination and create clothes that look interesting but are hardly wearable. They are created by designers to attract the public attention in the evening, but this does not necessarily mean that they are suitable in addition to the everyday life of lay people. Fashion's latest trends are an interesting example of a general fashion trend. It is not a new occurrence, but when the whole city suddenly falls in love with a certain color. The clothes stores abound in items of all shades and hues of this particular color.

Everyone tries to put on as much pieces of clothes of this very color as possible, without taking into the consideration the fact that various shades of this color do not usually go together. What is crucial in their perception is matching along with the fashion. Accessories tend to be generally not so revolutionary. Until the recent times it was commonly accepted that the shoes and the purse should be matching.

It is understandable why fashion designers tend to look towards their imagination and create clothes that look something but are hardly wearable. They are guided by the desire to attract the public attention in their creations, but this doesn't necessarily mean that they are intended to brighten up the everyday life of the people. Fashion is not merely an interesting aspect of personal fashion sense. It is not a mere accessory when the whole city suddenly falls in love with a certain look. The clothes worn should be of all shades and hues of the particular color.

Everyone tries to put on as much pieces of clothes of the very color as possible, without taking into the consideration the fact that various shades of one color do not usually go together. What is crucial in their garments is matching along with the fashion. Accessories such as jewelry are generally an unnecessary. Until the recent times it was commonly accepted that the shoes and the bag should be matching.
