a new opportunity

Kushal's

Fantastic
Style is when they're following
you out of town and you make
it look like you're leading the parade.

Kushal's

fashionable

style is knowing who you are, what you want to say, and not giving a damn

Eternal Magic

*It's not trying
change the world,
one leg at a time.*

Fashion Flavour

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.
