

Woman Is Reflected

1002

The true beauty of a woman is reflected in her soul. It is the caring that she bestows, the passion that she shows, the beauty of a woman with passing years only grows.

*Real Beauty Lies*

Light beauty is all things of power, but the real beauty is the one that is not afraid of the truth. The real beauty is the one that is not afraid of the truth. The real beauty is the one that is not afraid of the truth. The real beauty is the one that is not afraid of the truth.

1001

Beauty is not about being formal or subtle, its rather about how you look at yourself in front of mirror...

  
*Being Comfortable*  
Being is about being comfortable in your own skin,  
it's about feeling good and enjoying who you are...
