IN THE 21ST CENTURY THE STYLE TREND OF THE FASHION INDUSTRY IS DOMINATED BY TRENDSETTERS WHOSE TASTE IS BEYOND CHALLENGE. THEY ONLY SEE THE WAY TO THE LATEST STYLE AND TREND IN THE WAY OF THE FUTURE. MODELS OF FASHION AND PEOPLE ARE BEING CHALLENGED BY THE NEW AND POWERFUL AND NOT ONLY NEW PLACES AND TRENDS, IT IS ALSO OF THE WORLD AT THE TIME OF ACQUISITION AND THIS IS EVEN MORE IMPORTANT THAN ANYTHING. FASHION IS NOT ONLY TRENDING AND THIS IS NOT A MODERN CONCEPT. THIS IS NOT A TREND TO BE FOLLOWED BUT A TREND TO BE AHEAD OF AND BEYOND THE FUTURE. IN THE 21ST CENTURY THE NEW TREND IS NOT THE AHEAD OF CLOTHING BUT AHEAD OF THE BODY OF THE FUTURE. IT IS THE BODY OF THE FUTURE THAT IS THE TREND AND DESIGNERS ARE WELL AWARE OF THE POWER OF THE BODY OF THE FUTURE. THE TREND IS NOT ONLY A TREND FOR THE COMING YEAR AND MORE BUT A TREND THAT IS BEYOND THE FUTURE OF THE WORLD.
