A PICTURE OF POISE

INTERNATIONAL CHARM

He is London in look, in spirit, at least, even in dress. But his beauty is as big a rage abroad as it is at home. In the roads of London, in the waters of Venice, in the streets of the Mosby Coast, in the bylanes of Paris, his name is remembered with fondness and with glee.

THE GLOWING DAMSELS

an age which was truly golden. Whatever the world had lost is contained in their
beams and in their smile, which shines with the purest gold.*

DESIGNED FOR ANGELS

The patterns, lines, shades and contours of work here have been designed by the very masters of the land. Some say that the craftsmen went mad and did not wish to part with his ingenious spirit. When asked why, he said, "my greatest creation needs to be worn only by angels." Today, this garment, made for angels, we can surely be yours forever.
