The beauty of a woman is not in her clothes or hair  
or the way she looks, but in the way she thinks.  
She is beautiful who knows how to listen—  
how to be kind, how to give, how to share love.  
It is the inner strength that makes a woman  
beautiful. It is the inner strength that makes a  
woman beautiful.

The hardest thing in fashion is not to be known for it, but to be  
known for silhouette. Fashion is what you  
about when you don't know who you are.

There is no such beauty as in change,  
something which nature  
never covered deep in winter.  
Real beauty is to be true to oneself!  
That's what makes one feel great.
