Over the years I have realized that what is important in a dress is the woman who is wearing it.

Fashion

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street,  
Fashion has to do with ideas, the way we live, what is happening.

SV SHUBH <sup>TM</sup>

1001  
I wear my sort of clothes, to save me the trouble  
of deciding which clothes to wear.

SN SHUBH<sup>INX</sup>

I love green because it affirms, designs, and styles.  
A woman in a black dress is a pencil stroke.
