Glory  
Vol.02

A photograph of two models in the same kurtis as the previous image. One model is holding a white sign that reads "FUN WITH FABES AND FLOWERS IN NAKHANDA". The background is the same teal wall with flowers. The image includes a logo for "KINTI Fashion Future" in the top left corner.

FUN WITH FABES  
AND FLOWERS IN  
NAKHANDA

When we don't let take inspiration from Indian history  
the result is better a mix of ethnic costume designs with a story  
every garment has been well made.

CUT WITH FABES  
AND FLOWERS IN  
NORONDA

When we bring in the inspiration from Indian fashion, the result is here a set of vibrant colors, designs and a story that goes beyond fashion and trends.
