Real beauty is to be true to oneself. That's what makes me feel good.
Beauty is the first present nature gives to women
and the first it takes away.

Beauty sweetens the soul to act
I don't break of all the misery
but of the beauty that still remains
Elegance is beauty
Beauty is in the heart of the beholder

I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self.

Beauty is when you can appreciate yourself.
When you love yourself, that's when you're most beautiful.
