The first and most
important step to give the
impression of a job is
to be well-dressed. It shows
that you are serious about
your work and that you
are a professional. It also
shows that you are
confident and that you
are a person who
takes pride in their work.

Letting Go with Grace
There's a gentle level of beauty that can only be experienced with the grace to realize that the moment is fleeting and the most precious beauty can only be seen in the presence of both light and of shadow. For it's often in the loss of a thing that its worth is discovered most precious and by letting go with grace we can best savor the gift of light. Keeping the memory alive is not only because the beauty of it is so deep and it will not be truly gone until it is no longer in our hearts. For it is in the loss of a thing that its worth is discovered most precious and by letting go with grace we can best savor the gift of light. Keeping the memory alive is not only because the beauty of it is so deep and it will not be truly gone until it is no longer in our hearts.

My Beauty

Beauty like the butterfly is the wings so vibrant so lively so real. The gaze is in a far flange, her art, look close to see so different so sweet.
Kindful, soft & gentle - so true. Brings love like a summer of hope.
Bring up so sweet so true, so true, so true, so true.
Her beauty is the light of life, so true, so true, so true.
Beauty - that's me.

The Girl With The Long Hair

The girl with a long hair has the perfect smile.
And that beauty don't let come from her grace or sense of style.
Her gorgeous hair is something that makes her do.
She's the girl who always get a look from her look for.
She has the perfect hair from which she has eyes. A small head she is in the light.
Her hair is so good you know like gold strands. When she get into the room and get the light.
Make her hair so tight, long the good hair don't let her hair but the way they look good too.
I'm attracted to her like a magnet a girl.
I wish her hair, her
tough and ever her hair.

Beauty Bouquet

There's a girl who walks the scenic trail,
The one with the long ponytail,
The way it blows in the breeze,
Can bring a fellow to his knees,
She's pure as sunshine,
Mellow as aged wine,
Mystical as a Hawaiian sunrise,
A beauty bouquet for the eyes.

Look harder

She has a beauty within. The kind where she knows where she's going and where she has been. She's just who she is and who she is. She has the kind of beauty that is not just a face but a soul. It's not just a look but a way of life. It's not just a smile but a way of thinking. It's not just a body but a way of being. It's not just a name but a way of living. It's not just a person but a way of life.
