Letting Go with Grace
There's a gentle level of beauty that can only be experienced with the grace to realize that the moment is fleeting and the most precious beauty can only be seen in the presence of both light and of shadow. For it's often in the loss of a thing that its worth is discovered most precious and by letting go with grace we can best witness the light. Keeping the heart pure is often only because the beauty of it is so deep and it is so soft. It has once touched so one would know how the moments of its loss, our grief will eventually turn to the silence that it ever touched us in all, and we will be left with the memory of its beauty.

My Beauty

Beauty like the butterfly is like wings so vibrant so lively so soft, the gaze to her is her beauty, her art, look close to see so different so sweet
Kindful, soft & gentle, so nice, kind so lovely like a sun in the night
Bring up so sweet so beautiful so nice, so beautiful
Her beauty is my love, her art, her life & joy, her love is the way
Beauty, that's me.

The Girl With The Long Hair

The girl with a long hair has the perfect smile.
And that beauty don't let come from her grace and sense of style.
Her gorgeous hair is something that makes her do.
She's the girl who always get a look from her look for.
She has the perfect hair from which she has eyes. A small head and it is in the light.
Her hair is so soft and she has a smile. When she get into the room and get the light.
She has her hair so tight and long. She has her hair so tight but she has the look that
I'm attracted to her. It's like a girl who is a girl.
I wish her hair be
tough and ever her hair.

Beauty Bouquet

There's a girl who walks the scenic trail,
The one with the long ponytail,
The way it blows in the breeze,
Can bring a fellow to his knees,
She's pure as sunshine,
Mellow as aged wine,
Mystical as a Hawaiian sunrise,
A beauty bouquet for the eyes.

Look harder

She has a beauty within. The kind where she knows where she's going and where she has been. She's just who she is and who she is not. She has the kind of beauty that is not just in her face but in her soul. She has the kind of beauty that is not just in her eyes but in her smile. She has the kind of beauty that is not just in her hair but in her heart. She has the kind of beauty that is not just in her skin but in her spirit. She has the kind of beauty that is not just in her body but in her mind. She has the kind of beauty that is not just in her form but in her soul. She has the kind of beauty that is not just in her appearance but in her character. She has the kind of beauty that is not just in her looks but in her personality. She has the kind of beauty that is not just in her features but in her essence. She has the kind of beauty that is not just in her exterior but in her interior. She has the kind of beauty that is not just in her surface but in her depth. She has the kind of beauty that is not just in her outward but in her inward. She has the kind of beauty that is not just in her physical but in her spiritual. She has the kind of beauty that is not just in her material but in her immaterial. She has the kind of beauty that is not just in her temporal but in her eternal. She has the kind of beauty that is not just in her mortal but in her immortal. The first and most important step to give the impression of a woman is to have a good posture. The way you stand, sit, and walk can make a big difference in how you are perceived. It's all about confidence and grace.
