And so they sing the  
songs of the ancient  
world of an ancient  
time. It is the story of  
the old - the ancient  
wonder and above all  
for their garments. All those  
who listen to it discover  
it is like a new life.

**FAIRY**

Play your part with the confidence of a queen, the grace of a ballerina, the elegance of a diva. A ballad of ancient grace, a tale of a woman who has lived a thousand lives, a woman who has seen the world through the eyes of a queen, a woman who has seen the world through the eyes of a ballerina, a woman who has seen the world through the eyes of a diva.
