*Fashion Trends*  
*In the 21st century the high growth of the fashion industry demands the world more than they ever did and not only the way people dress but also trends in their sense of style, making fashion and people's interest intertwined. In the 21st century people don't only wear their own clothes, it comes up with subtle aspects of a generation, and this is even more prominent today. Nowadays, fashion is about not dressing, but they reflect a complete generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the vision of your personality and lifestyle, and it represents the well-known of the person they hold. To capture your fashion and to give you the latest you can see daily on your phone or on TV with a resolution in the world.*
