LUSCIOUS ART

I think fashion is
repulsive. The whole idea
that someone else can
make clothing that is
supposed to be in style
and make other people
look good is ridiculous. It
sickens me to think that
there is an industry that
plays to the low
self-esteem of the general
public. I would like the
fashion industry to
collapse.

It's written in time,
beauty is beyond every
worldly desire.
It is simple, it is pure,
it is the karma that every
woman is surrounded by.
And this collection of
Dress is a reflection of the
karmic love every
woman Bestows.
