Songs *of divinity*

1003

In the sea of the mundane,
you stand alone a paragon
of life in an otherwise ex-
emplary world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty...but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

A ballad *of ancient grace*

Many years pass until he remembers you, in your own crafted out of minds and happiness. And those reflections cause him to stop, to ponder to reflect and ultimately to rejoice. You are a magic, it is a perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.
