A woman with long, dark, wavy hair is the central figure. She is wearing a light beige or gold-toned outfit with intricate floral and paisley embroidery in shades of red, orange, and green. Her accessories include large, multi-tiered earrings with white beads and gold accents, a wide gold bangle, and a large, ornate ring. The background is a blurred outdoor setting with green foliage and a building. The overall aesthetic is elegant and traditional Indian fashion.

Real beauty is to be true to oneself. That's what makes me feel good. Beauty is the first present nature gives to women and the first it takes away.
