You connect the world to what it believes has been lost forever. Joy, smiles, laughter, and most importantly style. You are the last fraction of beauty in a world inundated by temporary fab. Amidst all the favors of the season, you reign supreme with your timeless grace. You sail back up to your beliefs. As you breathe, you transform the atmosphere of the world that surrounds you. And all that is withheld, all that is hidden, all that is gone, reappears in an instant. In your wake, life takes the lead, again, and spreads its arms. Little wonder then, that your sun reflects vitality, vigor and vivaciousness, the three main components of life. Women from all over the world seek in vain. They look for the goddess who's created the spellbinding dress that now adorns you, and wish in vain for them to create the same for them. Little do they know that the 'sai' you now wear 'handicked' you as the 'spell' of this eternal gift. The spell of class, and you are responsible.

You connect the world to what it believes has been lost forever. Joy, smiles, laughter and most importantly style. You are the last bastion of beauty in a world inundated by temporary fads. Amidst all the 'flavors of the season', you reign supreme with your timeless grace. Your sari lives up to your beliefs. As you breathe, you transform the atmosphere of the world that surrounds you. And all that is withered, all that is lifeless, all that is pale disappears in an instant. In your wake, life rears its head again and spreads its arms. Little wonder then, that your sari reflects vitality, vigor and vivaciousness...the three main components of life. Women from all over the world seek in vain. They look for the craftsman who's created the spellbinding dress that now adorns you, and wish in turn for them to create the same for them. A picture of you brings comfort. A
sight of you brings relief. A
memory of you brings bliss. Your
sail and you are worthy
companions, united in alleviating
the pain and the sorrow of the
world which possesses it. From
your serene grace, love is born and
from your gaze, it spreads across the
world. There is only. There are
adapters. There are debates. And
they're all about you. Sitting
together they wonder about the
magic and the illusion which
surrounds you, as you sit
majestically in your breathtaking
sails. What could be the secret that
you possess, which the common
world is not aware of? Well, let's tell
them it's our little secret, shall we?
