# R I N A Z

As some birds flutter,  
across the vast of the  
world, their wings  
flutter, they grow  
strong and resilient,  
as they search a realm,  
a hope, an example of  
resilience from some  
good will. By this  
time, I have a sense  
of a new, beautiful  
world, breathing  
in the wings of your  
dreams.
