As some birds flutter,
across the vast of the
world, their wings
flutter, they grow
strong and resilient,
as they search a realm,
a hope, an example of
resilience from some
good will. By this
time, flutter is a
powerful word, meaning
on the wings of your
dreams.

You are a journey. You drive
monsters out
away, and take our
imagination into places
new and
dimensions unexplored.
When every
strand of your
surreal garment
becomes our passport to
elsewhere,
pulling us into a
brand new universe.

You are a journey. You don't
stop. You don't take any
breaks. You don't have any
rest. You don't have any
time. You don't have any
space. You don't have any
room. You don't have any
place. You don't have any
where. You don't have any
when. You don't have any
how. You don't have any
what. You don't have any
why. You don't have any
how. You don't have any
what. You don't have any
why.
