

The lace is made of fine, delicate threads that are woven together to create a complex, repeating pattern. This lace is used in a variety of ways, from delicate trimmings to full-length dresses. The lace is often used in wedding dresses, but it is also popular in other types of formal wear.

FASHION

From the sophisticated to the elegant, when
the fashion designers of the past generation
created the modern fashion, they were not
just creating a style, they were creating a
new world of fashion. When someone
wears a beautiful dress, they are not just
wearing a piece of fabric, they are wearing
a masterpiece.
