INSIGHT

INSIGHT: The most important thing to know about the fashion industry is that it's a business. It's not just about clothes, it's about profit. And that's why the fashion industry is so successful. It's a multi-billion dollar industry that has been around for centuries. And it's still going strong. So, if you're interested in fashion, you should know that it's a business. It's not just about clothes, it's about profit. And that's why the fashion industry is so successful. It's a multi-billion dollar industry that has been around for centuries. And it's still going strong.
