The angel from the east

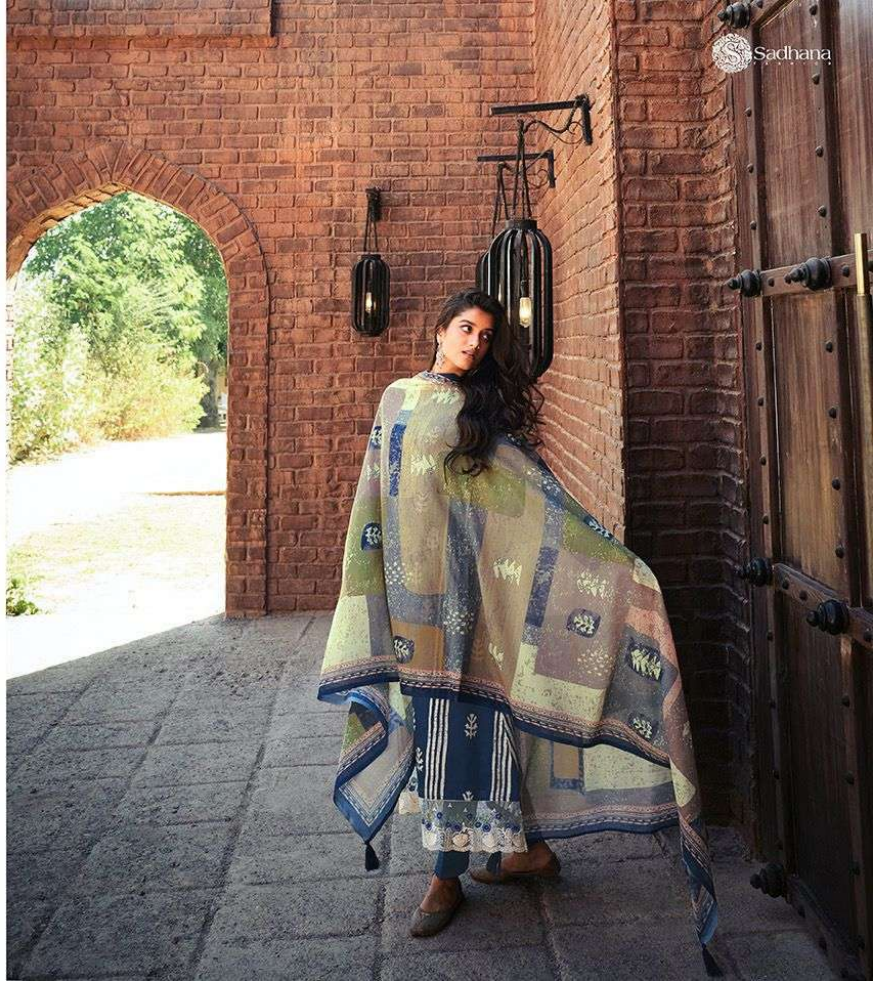

She knew and everyone in the village knew that she had been the first to see the angel. She had seen him in the night, standing in the doorway, looking at her with a smile. She had seen him in the night, standing in the doorway, looking at her with a smile. She had seen him in the night, standing in the doorway, looking at her with a smile.

SONGS OF

divinity

They surround her and look upon her in awe, as if she's not mortal but a miracle. Her dream are heard and her chosen answer. And they sing their song, in that language to come from all day of their destiny.

COLORS FROM A DISTANT LAND

The colors she wears in that faraway desert land, bring a new life into the bleak landscape. Her hues are concocted with a formula no longer at the behest of man. Her hues signify life in its grandiose splendor.

BRIGHTENING

the night sky

The design and construction of the saree is based on the concept of brightening the night sky. The saree is made of a light fabric and is decorated with a pattern of stars and constellations. The design is inspired by the night sky and is a tribute to the beauty of the universe.

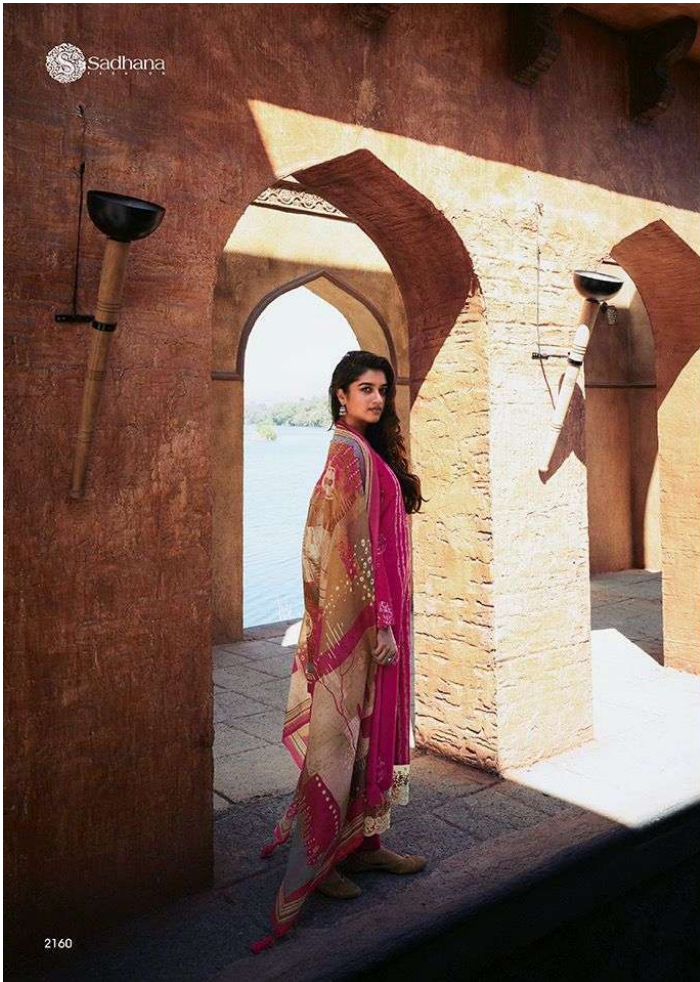

ANGEL FROM
THE
the east

All have a soul and a heart, and they are not afraid to show it. And it is a beautiful thing, to be loved by them. Angel was born, they had assumed that just a legend. They want her to know, and to know in their hearts and stories in their lives.

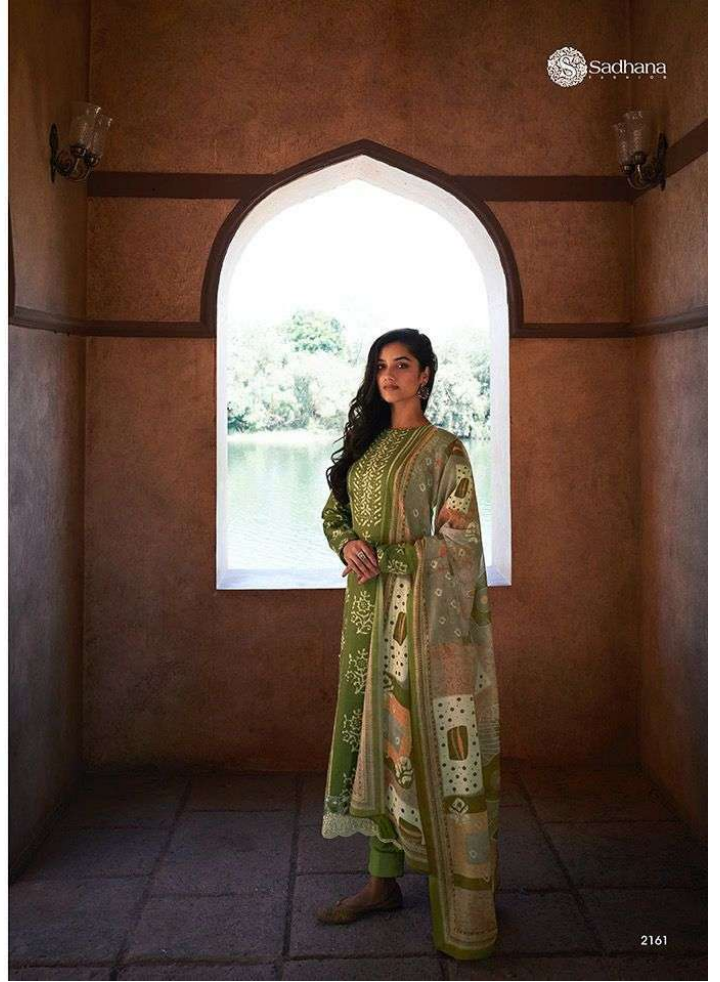

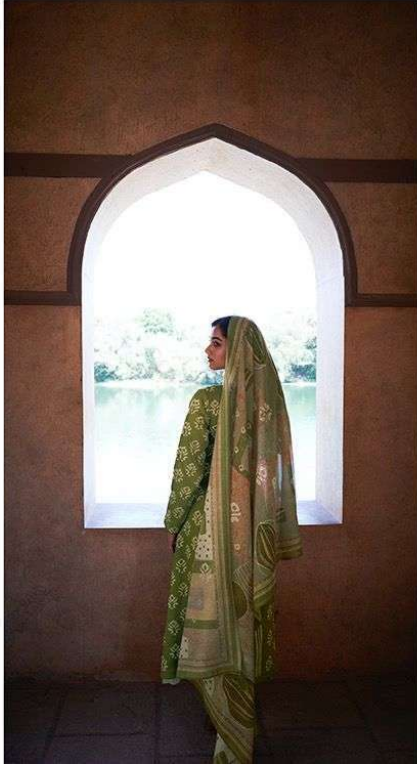

The angel from the east

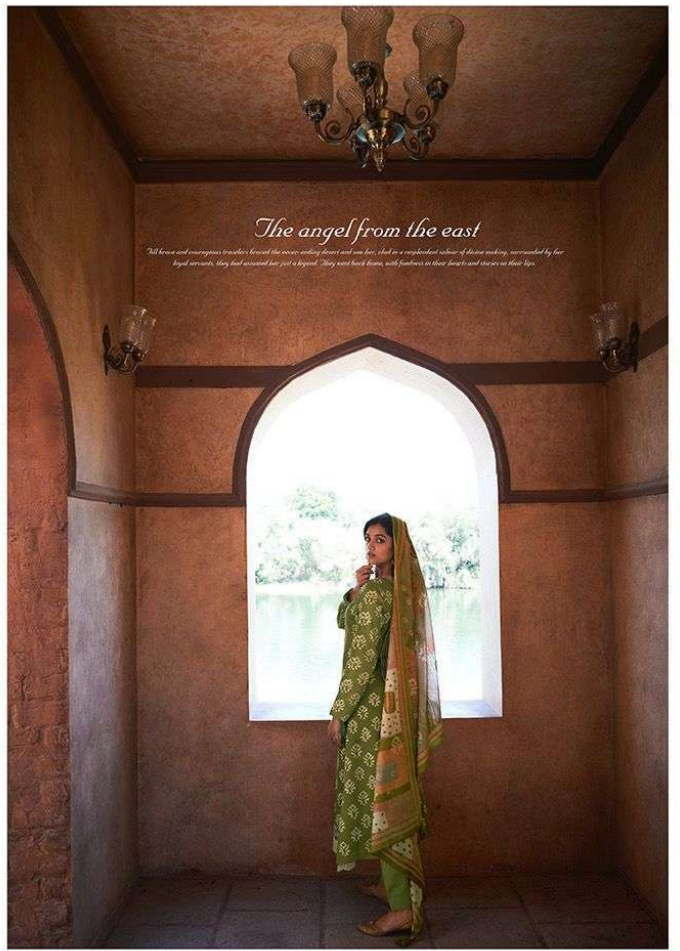

*She has a soft, angelic smile that makes her eyes
shine like stars and her hair like a waterfall.
Her beauty is not just in her face but in her soul.
She is a true angel from the east.*

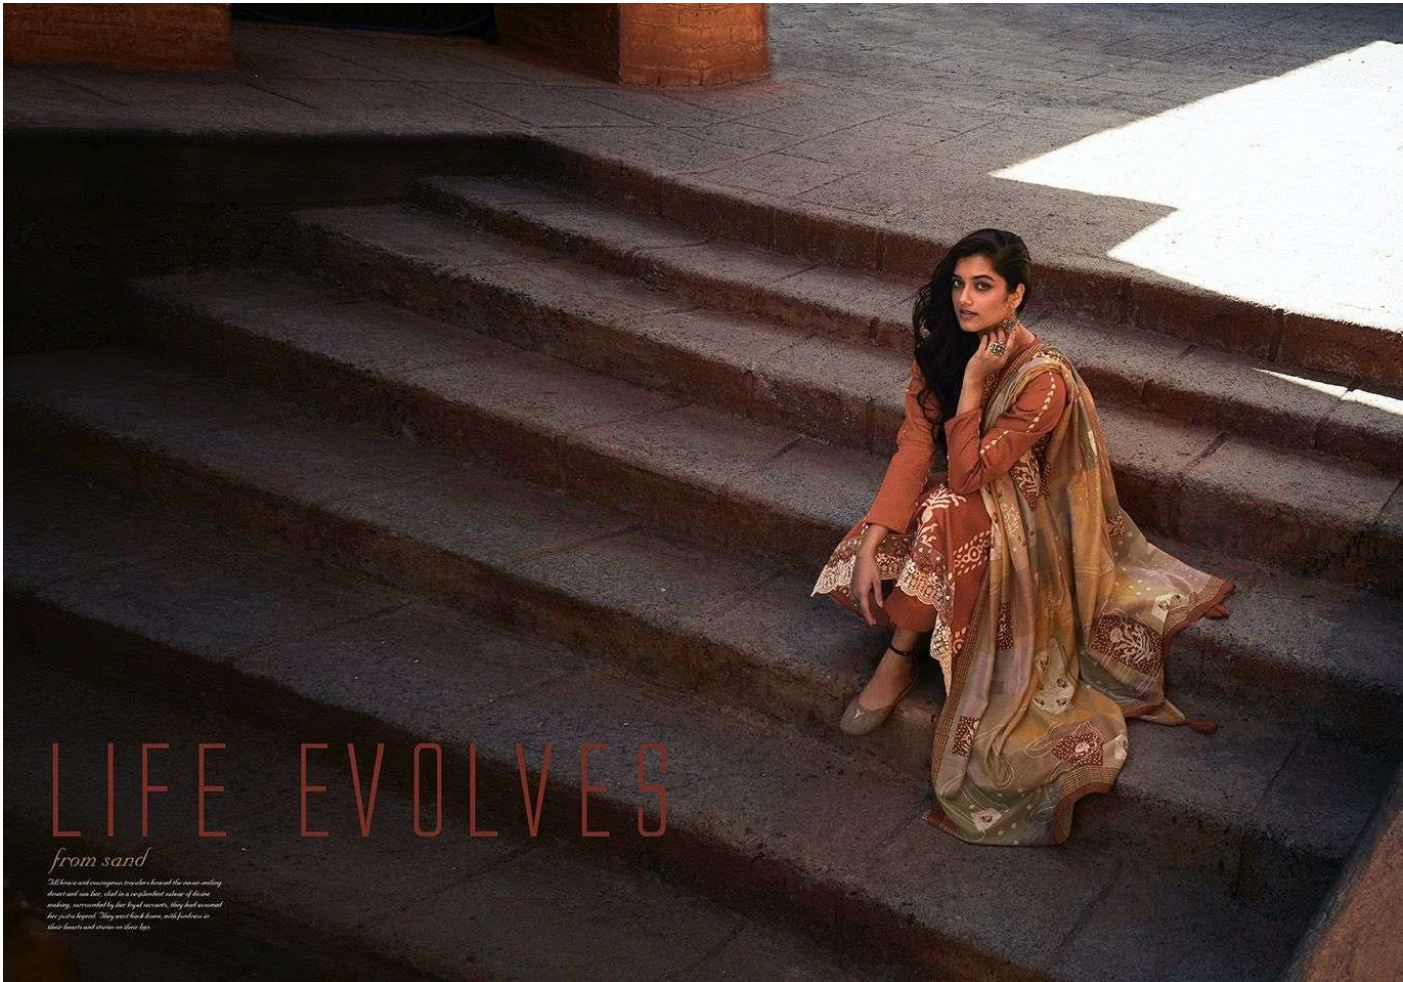

The angel from the east

With love and compassion they often found the ones we needed the most and we knew, a light was a ray of hope and a sign of the way forward, we
remembered by their bright smiles, they had returned for just a moment. They went back home, with pictures in their hearts and stories
in their eyes.

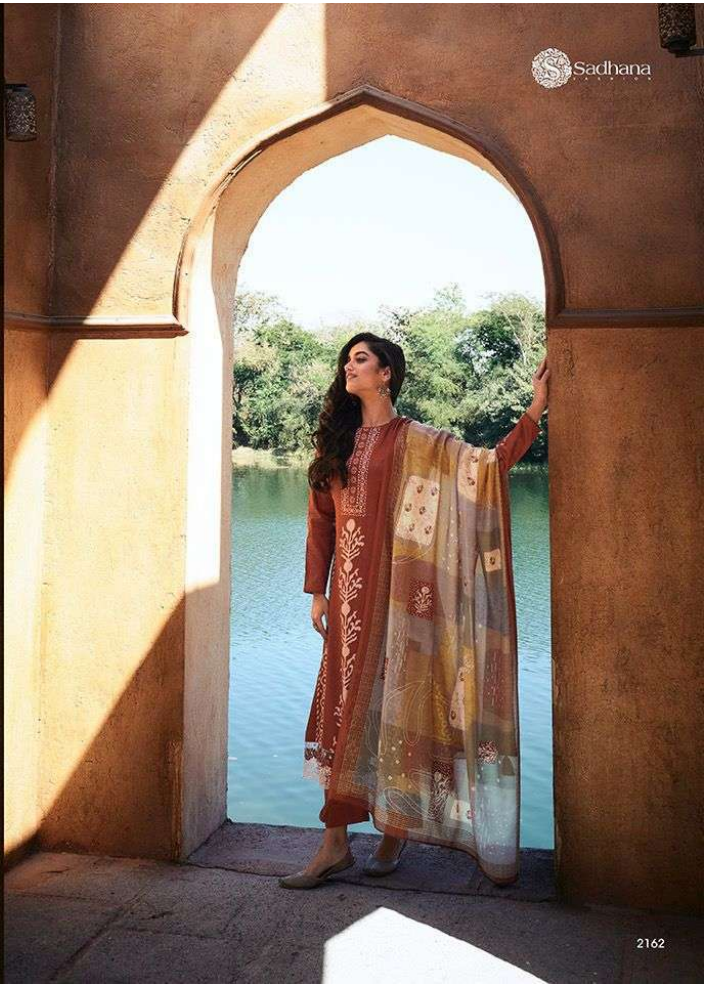

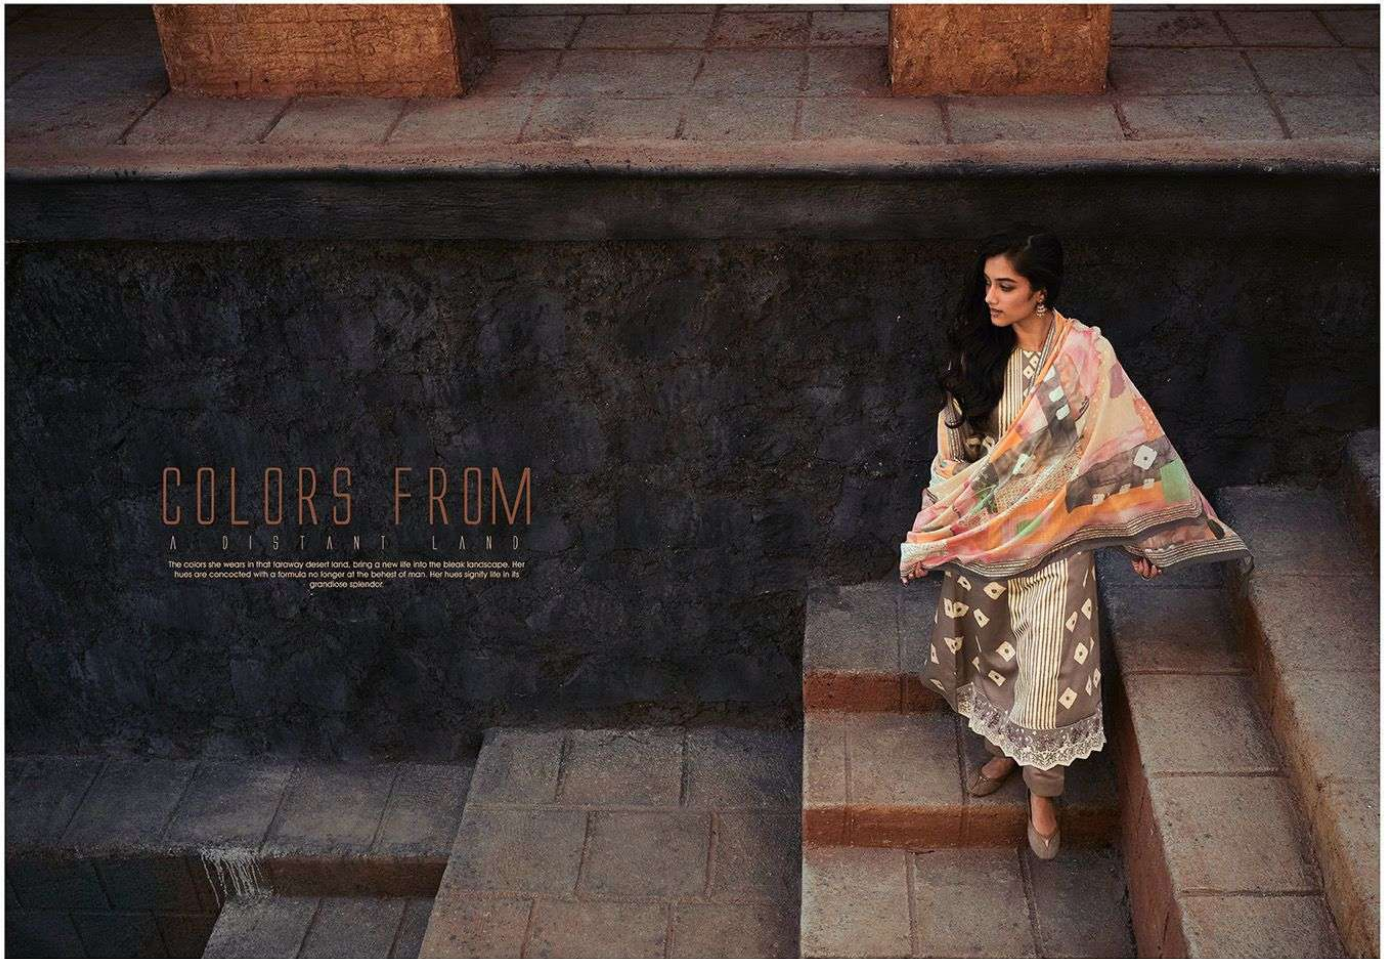

LIFE EVOLVES

from sand

Old times and memories together found the secret making
dust and sun dry, shed in a perpetual release of desire
ending, surrounded by their loyal servants, they did surround
the just to beyond. They were kind to them, with kindness in
their hearts and smiles on their lips.

*All those who evergreen
remember found the way
on windy shores and on the
Hill in a whisper of rain
of the morning, surrounded by
her loyal servants, they had
remained but just a legend.
They went back home with
flowers in their hands and
cherries on their lips.*
