*Prateha*

From your past until the remembrance you, in your own eyes, you are not a person. And these reflections seem to stay, to provide to reflect, and ultimately to exist. You are a mirror. It is perfection. It opens the floodgates of memories waiting to provide you an absolute glow. And at the same time for happiness, because the desire to see you is endless and beautiful.

In the sea of the mundane,  
you stand alone, a paragon  
of life in an otherwise ev-  
eryday world. A vision of  
you, clad in our marvellous  
creations tells the story of  
an island surrounded by  
the vast and jealous  
oceans, ever trying to chip  
at your beauty... but fail-  
ing everytime. You stand  
unimpeded, untouched and  
unblemished.

## A ballad *of ancient grace*

Many years pass until he remembers you, in your son's crafted out of myth and happiness. And these reflections cause him to stop, to ponder to reflect and ultimately to rejoice. Your son is magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he depairs, because the desire to see you is endless and boundless.
