Life Not Beauty

Life is not about how you look, it's about how you feel. It's about the people you love, the things you do, and the memories you make. It's about the love you give and the love you receive. It's about the life you live, not the life you wish you had. It's about the life you live, not the life you wish you had. It's about the life you live, not the life you wish you had.
