Vol-2

A woman with long dark hair, wearing a green kurti with a yellow dupatta and yellow leggings, stands in a courtyard. She is smiling and has her hand on her hip. The background features a yellow building with a red tiled roof and several potted plants. A wooden sculpture of a bird is on a table to her right.

"What you wear is how you present  
yourself to the world, especially today,  
when human contacts are so quick.  
Fashion is instant language."

Fashion is an attitude

"Being well dressed has a lot much to do with having good clothes. It's a question of good balance and good common sense."

*Rolex*  
VOL. 2  
2002

"Over the years I have learned that what is important in a dress is the woman who's wearing it."

## FASHION ISSUE

"The hardest thing in fashion is  
not to be known for a logo, but  
to be known for a silhouette."
