## *Fashion Industry*

In the evening the night breeze of the fashion industry dominates the world more than the sun did, and neither had only the very people found but also there is some more things - making fashion and people's overall attitude. In the fashion process did not only mean flowers and fabrics, it summed up the whole culture of a generation, and that is even more prominent feeling.

## *Coral Charm*

*In the evening the night breeze of the Indian industry dominates the world more than they ever did, and neither had only the very people found but also friends in home were doing - making Indian and people a great attitude. In the flower power did not only mean flowers and fauna, it meant up the whole culture of a generation, and that is even more prominent today.*
