*Maharani*

A decorative brown panel with a circular motif in the center. The motif is a detailed line drawing of an elephant's head, facing forward, surrounded by a complex, multi-layered mandala pattern. Below the motif, there is a small paragraph of text in a serif font. The panel is framed by a decorative border at the top and bottom, consisting of a repeating pattern of small, stylized figures or motifs.

*For this season, our motifs are inspired from personal style of women.  
The hope is that the clothes we offer will transcend seasons because the language is relevant.  
As we create you a world of vibrant hues of creative inspirations, you will find a fresh  
story with each outfit and that is what makes the collection special.*
