NARI

fashion style

In the 21st century the style trends of the fashion industry throughout the world have changed they've diversified and evolved into many different styles. It's also trends in home wear design, interior fashion and jewelry. Several countries, in the 19th century gave rise to new styles, colors and textures. It's important to be well-informed of a generation and this is even more prominent today.

NARI

attitude look

In the 21st century, the style trends of the fashion designers dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, making fashion and people's overall attitude. In the 19th century, people did not only know their own tastes, it changed by the whole attitude of a generation, and this is even more prominent today.
