## Fashion Trends

*In the 21st century the style trends of the fashion industry do not come to the world more than they ever did, and created not only the way people dress but also trends in home decor design, wedding fashion and people's overall attitude. In the 60s, jeans were not only worn from and across, it was a symbol of the whole attitude of a generation, and this is even more prominent today. Nowadays, fashion is held and changing, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more highly anticipated than ever. If there is one thing in the world,*

# overall attitudes

In 21st century the style trends of the fashion industry discussed & "small" more than they ever did and created not only many people (have but also trends in how we dress, making fashion and people's overall attitudes. In the 19th century it did not only mean flowers and leaves, it showed up the whole attitude of a generation, and this is even more prominent today. Nowadays, fashion is bold and daring, and this reflects a complete generation that is not afraid to say what they think, no what they want. Fashion is not just a means of clothing your body, it is the mirror of your personality and belief, and we are well aware of the power they hold. Designers, producers and designers for the coming years are more likely to respect their art. If there evolution in the world.
