## rapidly evolving

*In the 19th century the tight bonds of the fashion industry dominated the world more than they ever did, and control not only the way people dressed but also trends in house ownership, wedding fashion and people's overall attitude. In the 60s, jeans proved not only more focus and focus, it showed up the whole attitude of a generation, and this is more more prominent today. Nowdays, fashion is bold and daring, and this reflects a new generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of showing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more hotly anticipated than all other predictions in the world.*
