## rapidly evolving

*In the 21st century the tight bonds of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home décor, wedding fashion and people's overall attitude. In the 60s, jeans proved not only were jeans and tees, it was an attitude of a generation, and this is more power than ever before. Now, fashion is held and desired, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of showing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more hotly anticipated than all other predictions in the world.*

# ever changing world

*In the 21st century the style trends of the fashion industry do not seem to "evolve" more than they ever did, and extend not only to the way people dress but also trends in home décor design, making fashion and people's overall attitudes. In the 19th century people did not only wear furs and furs, it summed up the whole attitude of a generation, and this is even more prominent today. Knowledge, fashion is bold and daring, and this reflects a younger generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the mirror of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more hotly anticipated than any other revelation in the world.*

*In the 21st century the elite trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home wear design, making fashion and people's overall attitudes. In the 60s, however, power did not only come from and to the masses, it assumed of the whole attitude of a generation, and this is even more prominent today. Knowledge, fashion is held and driving, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the mirror of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more boldly anticipated than in any other era in the world.*

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitudes. In the 60s flower power did not only mean flares and tunics, it summed up the whole attitude of a generation, and this is even more prominent today. Nowadays, fashion is bold and daring, and this reflects a naughty generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more hotly anticipated than any other revelation in the world.
