rapidly evolving

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home decor, making fashion and people's overall attitude. In the 60s, fashion power did not only mean flares and tencos, it was one of the whole attitude of a generation, and this is even more prominent today. Nowdays, fashion is bold and daring, and this reflects a younger generation that is not afraid to say what they think, or even what they want. Fashion is not just a means of dressing your body, it is the essence of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are more boldly anticipated than all of other industries in the world.
