# ELEGANCE

The beauty of a woman is not in the clothes she wears, the figure she carries, or the way she looks. The beauty of a woman is seen in her eyes, her smile, the softness of her voice, the grace, the love she radiates. It is beauty that is reflected in her soul. There is beauty in a woman whose confidence is not just in her appearance, a woman who knows she can do it, who has the guts, and more importantly, who is confident in the talents she is given. It is a person and her beauty that is truly valued by everyone. It is a woman's natural beauty in all forms, which is the best of all.
