Colors *from a distant land*

The colors she wears in that faraway desert land, bring a new life into the bleak landscape. Her hues are concocted with a formula no longer at the behest of man. Her hues signify life in its grandiose splendor.

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carved into the exquisite garments of these classy maidens, for only they can bring about this age again with their grace and style.
