**NARI**

*attitude look*

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup, fashion and people's overall attitude. In the late 19th century the only great theme and style, it stemmed from the whole attitude of a generation, and this is even more prominent today.

*attitude look*

In the 21st century the style trends of the fashion industry dominate the world more than they ever did and control not only the way people dress but also trends in home ware design, makeup, fashion and people's overall attitudes. In the 19th century power did not only mean three and a half inches in diameter at the waist, attitude of a generation and this is even more prominent today.
