*Design Clubs
a Class Spirit*

At the end of each year, the school celebrates the annual 'Design Clubs' event. This is a platform for the students to showcase their creativity and talent. The event is held in a grand hall, where the students display their designs and projects. The designs are judged by a panel of experts, and the winners are awarded prizes. The event is a great opportunity for the students to learn from each other and to showcase their work to a wider audience.
