style and custom

Tradition is not only to wear the clothes change, but also the manner, gesture, steps and all. But we still focusing on general. There are huge difference in clothes that suit different occasion. There are certain of it that can best for occasion there are those for formal, and they like draping style and the hair style still also retain the type of saree.

makeup fashion

The time was not only to see the clothes design, but also the make-up, and it is that what is changing in general. The change is in the different clothes that suit different occasions. There are no more dull and flat colors for women there are those for a minute, and they like to see simple clothes and the hair style will also reveal the type of occasion.
