BEAUTY ELEGANCE

Style is the most valuable of the modern artist, that's probably why so many styles are reported lost on style each year.

Fashion is what you're offered four times a year by designers, and style is what you choose.

The image shows a woman standing on a stone ledge, wearing the same blue and black patterned outfit and floral shawl as seen in the first image. The background features a stone wall and tall, thin trees under a clear sky. The text 'THE HARMONY OF LIFE' is positioned at the top right, with a short paragraph below it. The numbers '20' and '01' are stacked vertically in the bottom right corner.
