*coral charm*

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also remain in some way design, making dark blue and purple, once all available in the 19th century, never did not only such colors and tones. It is a mark for the whole attitude of a generation, and this is even more consistent today.

*majestic magnificent*

In the 21st century, the style trends, the fashion industry dominates the world more than ever did, and control not only the way people dress, but also reflect to some extent the power, fashion and people's overall sentiment. In the 21st century, power did not only mean money and status, it also stood up the whole attitude of a group of people, and this is why more people are looking for
